1. GENERAL

Before participating in games of chance on our website, please read the following terms of service. Registration in the casino confirms your acknowledgment and agreement with the terms and conditions.

1.1. The website www.miraxcasino.com ("casino", "website", "company", "we", "us", "our") is operated by Kika Technology B.V., a company incorporated under the laws of Curaçao, with company registration number 16498 and registered address at Zuikertuintjeweg Z/N, Willemstad, Curaçao. Kika Technology B.V. is licensed and regulated by the Curaçao Gaming Authority (license no OGL/2023/147/0081).

1.2. The casino periodically reviews and updates these Terms and Conditions for integrity and consistency in line with the relevant regulatory changes. The players will be timely and reasonably notified of any material changes. Unless otherwise stated, an updated version will be published on the Website and will take effect from the date of publication.

1.3. Changes to these Terms and Conditions require players to consent to their agreement with the updated terms of service. If no consent has been provided, the players are warranted to receive the outstanding account balance.

1.4. The current English version of these Terms and Conditions takes precedence over the other editions and translations.

1.5. These Terms and Conditions wholly retain their validity even if some sections and provisions would be declared void in a court of law.

2. RESPONSIBILITY OF THE PARTIES

2.1. The consent to these Terms and Conditions confirms your awareness and acknowledgment that participation in games of chance may lead to financial losses. The casino shall not be held liable for any damage arising from your use of provided services.

2.2. The casino is not liable for any hardware or software defects, unstable or lost Internet connection, or any other technical errors that may limit access to the Website or prevent any players from uninterrupted play.

2.3. In the unlikely case where a wager or bet has been confirmed or a payment has been performed in error, the casino reserves the right to the following actions:

- to cancel all wagers or bets accepted containing such an error, effectively reverting

the account to the prior state in full;

- to correct the mistake by re-settling all the wagers or bets at the correct terms that should have been available at the time that the wager or bet was placed in the absence of the error;

2.4. If the Casino mistakenly credits your account with a payment, bonus or bonus funds or winnings that do not belong to you, whether due to a technical issue, error in the paytables, human error, or otherwise, the amount and/or the winnings from such bonus or deposit will remain the casino property and will be voided.

2.5. In case of the withdrawn funds that do not belong to you before the casino becomes aware of the error, the mistakenly paid amount will (without prejudice to other remedies and actions that may be available at law) constitute a debt owed by you to us. You are obliged to notify the casino of any event of incorrect crediting within 24 hours from the event by email.

2.6. The casino, its management, employees, partners, and service providers:

- do not warrant that the software or the Website is/are fit for their purpose;
- do not warrant that the software and Website are free from errors;
- do not warrant that the Website and/or games will be accessible without interruptions;
- shall not be liable for any loss, costs, expenses, or damages, whether direct, indirect, special, consequential, incidental, or otherwise, arising from your use of the Website or your participation in the games.

2.7. Your consent to the Terms and Conditions confirms the agreement to completely indemnify the casino, its management, employees, partners, and service providers for any cost, expense, loss, damages, claims, and liabilities howsoever caused that may arise with your use of the website or participation in the games of chance.
